PETITION FOR UNCOOPERATIVE INVENTOR

Mail Stop Missing Parts
Commissioner for Patents

United States Patent and Trademark Office
P.O. Box 1450
Alexandria, Virginia 22313-1450

Dear Madam/Sir:

Pursuant to 37 C.F.R. §1.497 (a) and (b), an oath and declaration of the named inventors is attached hereto. Please note that due to the refusal of the fifth and sixth named inventors, Jack Sanders-Reed and Bob Van Allen, to sign the appropriate documentation, the present petition requests acceptance of the attached oath and declaration in lieu of their signatures. As is necessitated by 37 C.F.R. §1.47, MPEP 409.03 (d) and MPEP 409.03 (e) (Seventh Edition,

Revision 1), Applicant respectfully petitions the Commissioner for Patents or Group Director to accept as fact the following statement of facts and last known address of the uncooperative inventors, namely Jack Sanders-Reed and Bob Van Allen, in order to proceed with the prosecution of the above referenced patent application.

STATEMENT OF FACTS

On April 23, 2004, Wade W. Sherman, Associate Attorney, Jones Waldo Holbrook & McDonough, PC, caused to be sent to Jack Sanders-Reed (“Sanders-Reed”) and Bob Van Allen (“Van Allen”) all relevant and necessary patent application papers for their signatures. *See* Federal Express Receipts, copies of which are attached hereto at Tab A.

On May 7, 2004, Jack Sanders-Reed and Bob Van Allen were contacted by phone at their common place of business in Albuquerque, New Mexico by Mr. Sherman. *See* Mr. Sherman’s Notation, a copy of which is attached hereto at Tab B. Neither inventor was available. *Id.* On each inventor’s respective voice mail, Mr. Sherman extended the request for each inventor to review the patent application for the matter note above, and to execute the patent documents relating to the same, including the required oath and declaration, and to return the same to the law firm of Jones Waldo Holbrook & McDonough. *Id.*

Within minutes, Mr. Sanders-Reed left a voice message for Mr. Sherman stating that he had received the application materials and would review those materials and follow up with a call indicating his intention to cooperate or not. *See* Transcribed Voice Mail Message, a copy of which is attached hereto at Tab C.

On May 24, 2004, Brent T. Winder, Associate Attorney, Jones Waldo Holbrook & McDonough, PC, left a voice mail message for both Messrs. Sanders-Reed and Van Allen following up on their intentions to sign of the patent application. *See* Handwritten Notes, a copy of which is attached hereto at Tab D.

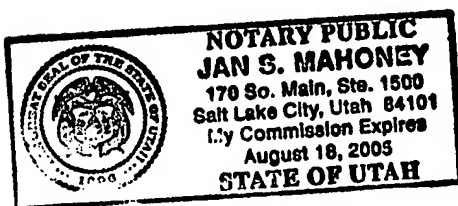

On June 22, 2004, Harry Field, senior intellectual property counsel for Boeing-SVS, Inc. (the company currently employing Messrs. Sanders-Reed and Van Allen) called Mr. Winder and informed him that Messrs. Sanders-Reed and Van Allen would not be signing the patent application.

IN WITNESS WHEREOF, I hereby declare and attest that the statements made above are true as described and asserted, dated this 25th day of August, 2004;

Brent T. Winder
Associate Attorney, JWHM

STATE OF UTAH)

Voicemail Message

Margott, this is Jenny. Brent Winder sent me this voicemail message and asked me to get it transcribed and I was wondering if you guys could do that for us. Thanks.

Yea, Wade, this is Jack Sanders Reed[?] with Boeing in Albuquerque returning your phone call of a few minutes ago. I was on the phone, sorry. Yes, I did receive the package. I apologize for not getting back to you sooner. I've been on an awful lot of travel and I noticed there was one other person from SVS here on your list, my general manager, Bob VanAllen[?], and I've been trying to coordinate with him a little bit just, uh, I guess the quick answer is that it looks good to me. I don't see any issue that I or we would have with signing that, but I wanted to coordinate with him and our travel schedules have work out such that we haven't been able to communicate with each other very much. So I do want to close the loop with him and I'm hoping I can do that next week and then I will presumably be dropping it in the mail to you. If you have any questions certainly feel free to call me again. I guess that's the message.

Thanks a lot, bye.

I left a voice-mail message for Dr. Sanders-Reed following up with his 5/13 message to Wade Sherman.

I asked, in the message, if he was still willing to sign docs & if so, we had deadlines & would like them ASAP.

BTW

I also followed-up w/ VanAllen (at suggestion of Sanders-Reed) - leaving him a message of ~~about~~ similar content.
